Hi Marion,

Planning staff sought legal advice regarding your request and were advised that staff can share the public information found within the Council Records.

This rezoning was originally reviewed under RMOW File RA448, staff found records that indicate it was reviewed by council on:

- July 21, 2009
- October 20, 2009
- February 19, 2012

The application was subsequently reviewed under RMOW File RZ001009 and reviewed by Council on:

- July 2, 2013
- June 9, 2018
- August 14, 2018
- March 8, 2022

Most of these Council records (agendas and packages with staff reports) will be on the RMOW Website: [Resort Municipality of Whistler](#)

Council Minutes and videos can be found at: [Council meeting documents and video | Resort Municipality of Whistler](#)

Planning staff were advised that any further inquiry, beyond the public records, would require an FOI request to the Legislative Services Department.

Thank you,

Roman Licko
